# ABOUT US

RAMADHU INFRASTRUCTURE PVT. LTD. an organization dedicated towards the field of construction since 2010 . Offering the best of our services, the principle objective of our firm is to offer the top-notch construction in a stipulated period. A team of talented Engineers, rich in experience possessing creative imagination and the power of self-decision serving at the best of their capabilities drive towards enhanced constructions.

With commendable time-longevity, we have been dealing with the civil and civil related works like land development, building construction, structural fabrication work, roofing works, plumbing and drainage works, road development and many more.

We have with us a fully computerized infrastructure enabling us fast and accurate project management reports, progress charts, bar charts, daily site progress report preparations for precise execution on site. State-of-the-surveying equipments and infrastructures enable us to provide our clients with the best.

## VISION 'N' MISSION

- ◆ To be a professionally managed contracting company committed to customer satisfaction.
- ◆ To do the business with the integrity to create reliable long term and trustful relationship.
- ◆ To cultivate the environment that develops the leaders with knowledge and focus on daily development of our practices with quality and safety to meet the customer expectation and satisfaction.

## OUR VALUES

◆ Safety	◆ Duration/timeline
◆ Quality	◆ Costing

## OUR STRENGTHS

- ◆ We are followers of sustainable and ecofriendly practices.
- ◆ Prompt and action oriented decisions.
- ◆ Honesty and integrity in dealing with the customers.
- ◆ Clarity in dealing with customers and respecting the commitments made to customers.
- ◆ Quality service to our customers and continuous efforts to improve our process and strategy to meet the changing needs of the customers.
